

In order to help prevent the spread of COVID-19, we ask that you please make sure to registered with the system.

If you visit the same business branch etc. on the same day as an infected person, you will be notified by email so you can take measures swiftly!

【To all Visitors : How to Register】

- ①Scan the QR Code displayed at the front of the business branch/venue entrance etc. with your smartphone or tablet and access the registration form.
- ②After entering your email address, confirm the following points, check the associated box and press the register button.

【Points to Check】

- ◇With regards to the email addresses provided:
 - ①The Prefectural Government will manage them with strict security.
 - ②They will solely be used for the purposes of infection control.
 - ③They will be deleted 60 days after registration.
- ◇No personal information such as names, telephone numbers or movement data (GPS position data) will be obtained.
- ③An email confirming your registration will be sent.

- ◇Please check ahead of time that your email settings allow you to receive emails from a “@govt.pref.gifu.jp” email address.
- ◇If you register with the system, you will be notified by email in the event that you visit the same facility etc. on the same day as an infected person. If such a case occurs, please follow the instructions in the email.
- ◇Please register separately for each day you visit.

You will be able to see detailed instructions for registration by scanning the QR code below
