

# State of Emergency Has Been Declared (Excerpt)

Decided on August 25, 2021

Revised: September 9, 2021

Gifu Prefecture Headquarters for Novel Coronavirus Disease Control

Implementation Period: September 13, 2021 - September 30, 2021

(The underlined part in the table is the change made due to the extension of the emergency measures.)

## 1) To residents of the prefecture

- Even during the daytime, if not necessary refrain from going out or moving from one place to another.
- As much as possible, avoid going to crowded areas.
- Avoid going out unnecessarily after 8pm.
- If one must go out, try to interact with as few people as possible, with the exception of family members living with you. Avoid going to places where and when there are a lot of people around.
- Avoid going to restaurants or other establishments which do not take appropriate measures to prevent infection or which do not shorten business hours as requested by the government.
- If possible, avoid visiting hometown, traveling, or moving between cities, towns, prefectures.
- Avoid engaging in high risk behaviors that can spread infection such as gathering and eating with a group of people at parks or on sidewalks, etc.

## 2) To business operators

### Requesting for temporary closure or shortened business hours

- Requesting restaurants or other eating establishments to temporarily close or shorten business hours.

Types of businesses affected	<ul style="list-style-type: none"> <li>- Restaurants (including casual drinking establishments), coffee shop, etc. Note: Take-out and delivery services are exempted. However, wedding halls are under the same restrictions as restaurants.</li> <li>- Entertainment facilities such as bars, or establishments that are operating by license under the Food Hygiene Act. Note: Establishments such as internet cafe, comic cafe, or other establishments whose purpose is to provide users a place to stay long hours into the night are exempted.</li> <li>- Karaoke establishments that have no license to serve food and drinks.</li> </ul>
Areas affected	Throughout the prefecture
